PRODUCT HIGHLIGHTS

STYLISH FRAME

The simplistic and stylish framework has been designed to create a stunning showroom piece without the display looking out of place. The frame is minimalistic and elegant, which really makes this display stand out in any setting.

DOUBLE SIDED DISPLAY

Create maximum impact with the dual sides, making this the perfect addition to any window display. Advertise to both outdoor customers as well as indoor. The displays can show the same content or separate content for maximum effectiveness.

SLIM LIGHTWEIGHT DESIGN

The TOPAZ Double-sided display has been carefully designed to be as slim as possible without losing performance. The slimline design reduces the floor space need for this display. Keeping your showroom flowing without obstruction.

24/7 USAGE

The TOPAZ Hanging display has been designed for constant usage in mind and will run 24/7 for over 70,000 hours. With the commercial grade LCD Panel, LED backlights and internal components this display is designed to last.
